**Reference letter for Mr Pawel Ryszewski – Graphic Arts Team**

This is to certify that Mr Ryszewski was selected as a graphic related service provided for some of our digital marketing related projects.

I had the pleasure to start cooperation with Mr Ryszewski in the month of November 2013, we used his service to support our marketing team.

Mr Ryszewski's service was very reliable, with very good timing, he proved to have good understanding of customer's needs, he furthermore proved to be flexible, moreover the results of his work were of high quality.

I am looking forward to our further cooperation with Mr Ryszewski.

Yours sincerely
